Custom Bow | \$14.50

A large, pixelated, grayscale graphic of the word "TWEED" in a bold, blocky font. The letters are composed of various shades of gray, giving it a textured, digital appearance. The font is sans-serif and very thick, with the letters closely spaced together. The background is white, making the dark gray letters stand out. The overall style is reminiscent of early digital art or a low-resolution scan of a printed word.
